
New Features on the Trade Show Floor

Welcome Exhibitor!

Our team is thrilled to have you at Perdido Beach Resort for your upcoming conference. We are excited to show off new features throughout the resort including renovated rooms and exhibitor halls, a new communication app, and better ways to make your experience an amazing one. Please take a moment to read over this form.

A New Look to your Meeting Space

For exhibitors who have been coming for years, you will be happily intrigued to see our new renovations throughout the resort, including our exhibit halls. We are very excited to offer a new modern space for exhibitors to meet and connect with potential clients and attend meetings. We have spent many months preparing for you and hope you enjoy the new look!

Whatsapp- A New Communication Tool for Trade Shows

To establish an easier way of communication throughout the show, we have introduced a new app for direct communication with the trade show coordinator, Lauren Wolfe. We are encouraging all vendors to download the WhatsApp application, a free instant messaging and call service for both Android and iPhone devices, as well as Mac or Windows PC. The app is the most efficient way to contact Lauren. You can download the app here: <https://www.whatsapp.com/> Or scan this QR code below with your mobile device to retrieve it in your applications settings. Again, we want to make sure exhibitors stay in their booths or table-top displays as much as possible to create a safer experience for all. Please use Whatsapp whenever you may

need assistance. Whatsapp creates safe social distancing for exhibitors, while still receiving full service from our staff.

Keep in mind, while reaching out to the trade show coordinator on WhatsApp, please identify your booth number and company.

Example: "Booth 12. Company Name. I need power."

Text the number (301-202-2168) on WhatsApp.

Ordering chairs in Advance

We are limiting chairs per display unless they are ordered and paid for on the Exhibitor Order Form. Each tabletop includes one complimentary chair. On the contrary, if your exhibit is a booth display, made with dividing pipe and drape, two complimentary chairs will be provided. Should you require additional chairs an order must be submitted on the Exhibitor Order Form in advance or onsite during your specific vendor setup time. Our team strongly encourages vendors to submit payment in advance to ensure vendors booths and tabletops are setup prior to arrival. Please note that by not submitting an order form all requests will be met in the order they were received.

For exhibitors who have been coming for years, you will be happily intrigued to see our new renovations throughout the resort, including our exhibit halls. We are very excited to offer a new modern space for exhibitors to meet and connect with new clients and attend meetings. We have spent many months preparing for you and hope you enjoy the new interior designs!
