

## **Attention Gulf Coast Dental Conference Attendees**

Thank you for registering for the 2022 Gulf Coast Dental Conference! We look forward to seeing you in beautiful Orange Beach, Alabama!

Onsite registration will be available at [gulfcoastdentalconference.org](http://gulfcoastdentalconference.org) through June 12. Please register, purchase tickets or make changes at your convenience on your mobile device. An onsite registration computer kiosk will be located in the lecture foyer each day as well. Our Help Desk will be located on the eastern side of the Lobby level of the resort.

Your name badges will be mailed to you next week. Please be sure to bring your badge with you to the conference. Name badges are required to enter all events. Review the back of your badge for your individual registration summary.

### **IMPORTANT CHANGES IN CONTINUING EDUCATION CREDIT PROCESS**

In order to receive continuing education credit for the courses you attend, you must present your badge for ticket scanning at each GCDC clinical. We no longer require paper rosters to be signed by attendees. Tickets will be scanned upon entry to each course and are subject to be scanned at random unannounced times during each course. Ticket scanning will not be available

after the course concludes, so be sure to scan your ticket upon entry to each course.

For your records, you will also receive a Continuing Education Certificate inside your registration welcome bag distributed at the onsite registration desk.

If you are an AGD member and would like the conference to submit your CE credits to the AGD, you must enter your AGD number in your online registration form.

We are excited to be back at the beach with you this year! Safe travels and enjoy the beach!
